■ **Will It Be Beneficial to All Concerned?**

In the Spotlight...

Nut Sale under way!

Please take as many of the yellow cards as you need for posting in businesses. This is our primary fundraiser so everyone's help is needed!! See Helena if questions.

Kudos to Helena and Robyn!

Excerpt from the DG's blog concerning his visit to our club last meeting. Read more at rotary7750.org.

President **Robyn Harmon**, an attorney by education and now a professional volunteer, and her board were well prepared for the district governor visit and have exciting plans for the 2011-12 year. ...

... I was pleased to recognize **Helena Travis** as the club's Notable Rotarian. Helena has been a member since 1989, a Charter Member and Past President. She now serves as the club's Fundraising and Social Chair. She always leads by example. Her family's business purchases the nuts used for club's major fundraiser that allowed the club to make donations to four community organizations. She dealt with her husband's major illness last year. The nomination stated that she is "a real force to be reckoned with in the club and community" and an inspiration to other club members. She has hosted a grand evening for the Club at her home, the "Hugo" party (named because the club was founded the year Hurricane Hugo struck South Carolina, and a major club event was scheduled for the evening that the hurricane came aground).
